## DEDICATION

## WARREN STONE GORDIS

Lover of learning, star to youth and age,
Your task has been to add your increment
Of shaping truths to life's rich nutriment
Garnered in books. With alchemy of sage
And independent mind you disengage
Beauty imprisoned deep in words, content
To live a life of contemplation spent
On fundamental values. On the page
Of lasting memory your gift commands
Illumined splendor. Mirrored in the lives
Of youth your love of learning will beget
In after age a radiance that survives
The buffetings of time. Your record stands
Secure, an enviable coronet.

—Charles G. Smith.

#### HELEN MAY CHRISTIAN

A student who was always prepared with her work and never shirked an assignment.

À friend who was ever loyal to her associates, never cross nor faultfinding.

A daughter devoted to her mother and ambitious to be eminently worthy of the sacrifices made for her.

A leader in student life with a rare gift of drawing followers and pointing them to higher and greater endeavors.

A sorority sister whose activities aided in building and elevating the character of every fellow member.

Snapshots

Homecoming and goings on-That's Tony, folks, not Cab Calloway-The hand flees before the Bear Wallow aggregation, who take the prize in the undress parade - Those who believe in evolution will be disappointed to know this isn't a case in point, merely the decoorating committee -Fair females on floats - Pi Phi's and Tri Delts with tired smiles (all except "Tubby") - And the freshmen express their opinion of their present status (it ought not to be so bad according to the second picture-Oh for the life of the convict!)

Ye Bande in full "Swing" Bolton "takes off" on the "Beach of Bali Bali", and Dean Smith almost does from the grandstand -Archery (or is it leapfrog?) becomes the fad of football players-The reviewing stand and lke is unsuccessfully contradicted-Warren illustrates what it is to be a football hero-These Pi Kaps rest their "brains" after copping scholastic honors for the boys' frats-Ilis Honor the Mayor (and what makes it honorable) -- Haddock and Schaefer don't show proper appreciation. After all it's not every day they get to be a Homecoming sponsor's escort - The light in the window for Wee Willy Winkey, or what have you.

Largo, Death, etc. feels sorry for Woods-This is what "Burns" 'em up-Kelly doing the "Rumba"-Tarzan Weeks explains how it's done, or the secret of his success, while Dazzler tries it out -Seems to be the wrong technique, Greenlaw -Preachers at play-Furlong on the way to Chaudoin accompanied by Andy's ghost-The president sleeps between firecrackers-Treachery lurks in the bushes when the Snapshot Ed. goes native. The Tri Delt moon and stars make a perfect setting for the work of "Cupid" Moores (oooh, these Delta Sigs!)-Come ont of those bushes, Nursey, somebody needs an aspirin - Diana(?) -Morris demonstrates "chair leading"—Pi Kaps wallop Delta Sigs — Coeds occupy "Stetson Annex"-G. C. K." Cudmore at work, properly chaperoned - Strick getting a few pointers-Ye Staff worrying about the rest of the staff. (Annuals make you look like that, beware!) — Dan't Boone comes to Stetson-Freshman take Kenyon's advice on the best place to study astronomy - Miller becomes languid.

Popular Profs in peculiar poses-Tom at it again-Two more reasons Stetson's more popular than Gainesville-Go get 'em, Brockett, you don't want to miss any-"He was a gay caballero" Tony and our Helen-She can Troy baton - Warren's technique-Prof. Giffin "giffen" us a glare — Dekle greets the dawn - The band follows Montgomery. Who wouldn't? -What, two-hour parking with no night watchmen? -Stetson brand of undivided attention.

Family groups! Poppa Jeacle and the boys-Doc, Troy and Harris advertise Conrad's motto (frame of fireerackers to be donated by freshmen) -Andy, how could you hold out on us?-Sunny, the human fly-Spec docsn't really own that car-Rummel two-timing-Dr. Farris and Pres. Allen, popularity winners-Stetson buses know where to stop-Hubba, the dog!-Bessie Faye being a BWOC-Mose must have gotten a letter-Doc likes fan dancing too-When Profs take to driving trucks on the side we believe that "everybody's truckin' ".

Cupid's dart comes from Chaudoin way (or maybe it's Honey's "form" that does it). Hall and Marty leave the children at home - Five Generations of Alpha Xi's. Find the great great grandma-Peeples and McCary dodge the candid camera -The Stetson Family makes Peanuts hold his own head, Wongrey looked grave, and Sunbeam looked for support-MAMMY! — Branham shows 'em how it's done -Left to right, barn, horse, Lois, horse again —Perry is sure the Pi Kaps won the game--Doe just doesn't know.

#### VARSITY SQUAD

Stetson's 1936 Varsity Squad, composed largely of a group of Sophomores, did not fare any too well on the gridiron last Fall. The score books show that the Hatters won only two contests, tied one, and lost five.

The Green and White machine registered victories over South Georgia Teacher's College, and Oglethorpe; defeats came at the hands of Florida, Tampa, Erskine, Rollins and Miami; a tie was gained with Union.

Lack of experience was the greatest handicap that Coaches Warren "Brady" Cowell and Chet Freeman had to encounter.

With only six members of this year's team to be lost by graduation and with much good material to come up from a great Freshman team, the Hatters are bound to make a creditable showing next Fall.

#### FRESHMAN SQUAD

Last Fall, Stetson was represented by one of the greatest Freshman football teams in the history of the Institution. The Baby Hatters had little difficulty in annexing the Florida State Championship title as games were won over the Freshman teams of Rollins, Tampa and Florida. In an early season game, Miami held the green shirted yearlings to a 0-0 tie. The win over Florida was the first victory ever gained by a Baby Hatter team against the young Alligators, and incidentally the game marked the first defeat suffered by a University of Florida Freshman team during the last four years.

Much credit for the success of the team should be given to Coach Gordon McCalla, who proved himself to be a master coach in developing the fine squad.

#### VARSITY BASKET BALL

State champions!

That's the title that Stetson's varsity basket ball team is the proud possessor of for the 1936-37 season. The Hatters earned the State crown by twice defeating the University of Tampa and by gaining an even split in two games with the University of Florida.

The green and white cagers ended the season with fourteen wins and eight losses, a much better showing than Hatter fans had hoped for at the start of the

Our alumni coach, "Chet" Freeman, in his second year at the helm of Stetson's varsity basket ball activities, started a tough schedule with an inexperienced squad and finished the season with one of the best small college teams in the South.

#### FRESHMAN BASKET BALL SQUAD

Coach "Brady" Cowell had a small squad with which to work. As a whole the season's record did not come up to expectations, yet "Brady" discovered some able material in Shaefer, Wood, Smith, and Mathis. These boys will strengthen the Varsity for the coming year. The Freshmen defeated many strong high school squads by large margins.

The purpose of the W. A. A. is not only to develop good sportsmanship, leadership, and physical skills, but also to further social aims and attitudes among the girls of Stetson University. The organization does not center its attention upon a few who are outstanding in athletics, but encourages all who have an interest in sports to participate in an intranural program.

Seven shields of wood and bronze representing basket ball, volley ball, baseball, badminton, ping-pong, archery and tennis are to be awarded to the sorority or non-fraternity team that excells in the respective sports.

A cup will be received by the girl who has proven to be the best all around athlete.

Graftin Pyne has graciously given a loving cup that is to be presented each year to the winner of the horse show.

The W. A. A. has initiated a high school play day that will become an annual event.

By living up to a set standard and passing many tests, so earning requisite points a girl may become eligible for membership into the "S" club.

The Women's Physical education department has been making great strides forward under the enthusiastic guidance of the competent staff. All phases of sports, both indoor and outdoor, are stressed and on several occasions the girls have publicly exhibited their skill in archery, basket ball, swimming, badminton, tennis, ping pong, and field hockey. Interest has been stimulated through field meets, the annual May Day Festival, and W. A. A.

## STETSON DEBATERS

Harmon Harper and Ralph Odum started off the debate season with a win over Dartmouth College. The year witnessed an increased interest in forensic activities in which approximately twenty-five students received training in class and collegiate contests.

SARA E. CLARK, MARY ELIZABETH SIMPSON, JUNE KRAUSE, and LYDIA THEURER made a fine beginning in the South Atlantic Tournament in South Carolina. GORDON KIPP and ARTHUR BALDWIN demonstrated their careful study of the problem of "wealth conscription in war-time" in freshman debates with the University of Florida and Florida Southern.

A NEW FEATURE of the work included speaking before and encouraging debate in Florida high schools. Alton Greenlaw. David Molithrop, Ralph Odum, Wilton Rowe, Lydia Theurer, Harmon Harper, Henry Todaro assisted in programs at Orlando, Sanford, Pierson, and Deland. Mr. Olliphant was a conscientious worker all year and assisted as judge in several high school contests.

THE ATHENIAN CLUB awarded RALPH ODUM the annual twenty-five dollar prize. The Freshman Prize, given by a former debater, is determined in May.

LYDIA THEURER won first place in impromptu speaking at the South Atlantic Tournament and along with Mr. HARPER represented Stetson in the annual debate with Rollins before the Daytona Beach Forum.

The season concluded with a Freshman Florida trip, and the varsity attending the Southern Association Tournament in Nashville, Tennessee.

## STETSON REPORTER

The staff of the Stetson Reporter has had charge of publication of the University newspaper, under supervision of Plautius I. Lipsey, Jr., professor of journalism. The weekly journal is printed by the Stetson Press. The 33 issues of the Reporter for the session 1936-37 constitute a contemporary record of campus activities, with occasional news of former students in other places.

"A school annual is funny.

The school gets all the fame:
The printers get all the money:
And the editors get all the blame."
